Mrs. Fowler,

I have enjoyed being in your Class this year very much. If it had not been for you I would not know as much English as I know now. I know that we have not agreed on some points, but I have a special place in my heart for you. I want to thank you for helping me get my glasses and getting my teeth fixed. You have been such a great help to me that words could never express my felling. I hope you the best of luck in the future and if you forget me and the words that I have written please don't ever this, "We know not what the future holds, but we know God holds the future." May God bless you.

Ephesians 4:32
Romans 8:28

In Jesus,
Charles Stephenson

Mrs Fowler

It has been nice being in your classes the last two years. I shall always remember you calling me names mayb not on purpose. I have had alot of good times in your classes. If it hadn't been for you I wouldn't have ever learned so much literature and grammer. I have had a good time going off with Woody. I will always remember you for as long as I live and I shall try to improve my writing

Foreword

Our high school days are among the most priceless treasures of our entire lives. Each of us try vainly to grasp each fleeting treasure as it passes by and finally takes its place among our memories. Each step that we have taken has gradually led to graduation day. All our aims have been focused on this day, but when the day finally arrives we shall reach frantically into our past to revive the memories of parties, banquets, plays, ballgames, fleeting friendships and final exams. To help these memories ever remain; to bring back moments of reminiscence of these fun-filled days, we give you once again a book compiled of memories.

Our theme for the TWIG this year is "Outer Space." To you, the youth of today, the citizens who will be leaders of tomorrow and in whom rests the hope of a better world, we, the staff, give you the 1959 TWIG.

Mrs Fowler,

The most I can say in any words, is "Thank you". Thank you for the way you have led this senior. Thank you for the way you have tried to teach me English. Just one more thing, when I have used the personal pronoun in this, I'm sure it should have been we, us, a class. Best of luck always and I would but wish that God bless a very wonderful person.

always your friend

Class History

September 4th, 1955, was a magic date; yes, that was the date ninety happy-go-lucky freshmen began their high school career at dear old F. G. H. S. Mrs. Lyndon, Mr. Garrison, and Mr. Doby guided us through the year. Naturally there were several times when the going was rough, but all the fun made up for the little bit of bad! We enjoyed being a part of sports, the band and various other activities.

Mrs. Hedrick and Mr. Matthews sent us on our merry way at the beginning of our Sophomore year. Biology reminds us of the "crayfish" and Algebra makes us think of several hours spent studying! Parties and selling candy took up part of our time too.

Gee, we were Juniors at last! Under the skillful guidance of Mrs. Payne and Mrs. Lyndon, we sold magazines and earned money for the all-important event...our Junior-Senior Banquet. The theme "Holiday Inn" was a big success with the help of Mrs. Hedrick.

Now there are forty of us. As we look back and think of the fun we have had during the last four years, there is love for F. G. H. S. in the heart of every Senior. Under the kind assistance of Mrs. Fowler we are striving for our trip to Washington and making plans for graduation. Yes, it has been great, and we've loved every minute of our high school career.

Class Prophecy

Flying along in my outdated helicopter, whom should I see beside me in one of those "new fangled flying cars" but GAIL TRIMNAL. She waved for me to land and of course, being anxious to hear all "the latest," I almost wrecked my "crate."

"Gail! What have you been doing?"

"Oh nothing much—just directing the Miss America Contest, and a few other things; what have you?"

"I am the private secretary for the President of the United States. Have you heard from any of the old crowd lately?"...and so the story is told:

CAROLYN SKEEN is a hostess on a jet passenger liner and SHERRILL DOBY is pilot.

JERRY HEGE is a big tycoon in building spaceships for the Army.

MILTON SUGGS is a resident of France and has a booming dairy business.

The U. S. Ambassador to Russia is none other than WANDA HILL.

In the coming election, JAMES WILSON is to run on the Republican ticket for governor of North Carolina.

Fair Grove finally has a new principal—GLENN MILLER.

A few years ago ANNE PARRISH made her operatic debut in Carnegie Hall with EMMA BLAIR as her accompanist.

MICHAEL EDWARDS, a government nuclear physicist, has as his assistant, BOBBY POPE.

SANDRA INGRAM and BARBARA PLYLER make loads of money from their chain of beauty salons.

JOE STANLEY'S design for a new spaceship made a big hit over the nation.

JOHN CHARLES THOMAS coaches the State football team along with the help of a Puerto Rican friend.

LARRY PALMER and DELL BAKER have a chain of jewelry stores over and around the world.

SHERRILL and GARY SAUNDERS are making movies in Hollywood. Sherrill, a "rock and roll" star and Gary? ...why..."westerns" of course!

RACHAEL SKEEN, Treasurer of the U. S., is making great progress in that department.

BRENDA PROCTER and BRENDA McKINNON have rocked New York with their sensational new skyscrapers.

GERRIE HUGHES has the Thomasville Chair Co. on the run with her own company.

WILDA O'KELLY and CARROLL GAILEY are explorers in the Far North.

LUCILLE HUSKINS has her own "business" with her own "special" partner.

BILL NOAH is the noted playboy of Miami. He "wows" all the girls on the beach.

ANN ALFORD bought out the owners of the Winn-Dixie Stores, the A & P Stores, and the Columbia Food Stores; and has merged them into the A. A. G.

BRENDA BLACK and PATSY GORDON make a wonderful surgical pair. They save hundreds of lives a year.

DOAK FULLER shocked everyone by going to New York City and becoming one of the "Big Men" in Radio City.

BOBBY BLAIR and JERRY BALL are discovering the wonders on the bottom of the ocean, as the nation's leading diving-duo.

RONNIE STILWELL, foreign correspondent for the New York Times, is staying in Europe and really living it up!

GEORGE BRILES, the nation's favorite comedian, drives stock cars as a hobby.

NORMA FOUTS is living in Hawaii and running her pineapple canning factory.

After learning all "the latest" from each other, we departed but thought still of our classmates and our Senior sponsor who made our last year so enjoyable.
